

Catholic Business Listings
catholicbusinesslistings.com

Catholic Business Listings is an online listing of Catholic-owned businesses offering products and services for sale.

The purpose of the **Catholic Business Listings** is to provide users the option of engaging easily and electronically with local or remote, Catholic-owned businesses, thereby supporting those businesses, and encouraging greater fellowship among Catholics.

Catholic Business Listings lists participating businesses by category, allows for quick searches of the directory, and displays a description of the business: all products and services offered; contact information; and hyperlinks to the business website, phone number, and email address.

Catholic Business Listings does not take the place of back-of-bulletin advertisements, but rather serves as an **interactive** resource, allowing for convenient electronic communication between Catholic-owned businesses and customers.

Catholic Business Listings can be linked to a parish website, and businesses can subscribe by filling out a secure, online form located at **catholicbusinesslistings.com**.

There is **no cost** to the *end-user* or the *parish* for this service. An annual fee of \$189 will be charged to the **business** for inclusion in the directory. No other fees are charged.

Catholic Business Listings seeks to promote the temporal welfare of our parishioners in accordance with the Church's social teaching, all for the greater glory of God and the fostering of community among the faithful.

Thank you.
